**ORDER REQUESTING FURTHER
RESPONSES FROM BOTH SIDES
REGARDING DISPUTE OVER
RESTITUTION**

16 Post-sentencing, the parties now dispute the amount and manner of restitution to be paid

19 the restitution dispute by **APRIL 15, 2011**. Specifically, counsel shall please address: (i) the
20 authority pursuant to which judgment should or should not be amended; (ii) how the following
21 bear on this issue: the plea agreement, the presentence report, and any relevant discussion at the
22 sentencing hearing; (iii) what evidence exists to support counsels' divergent numbers for
23 restitution; (iv) any justification for the requested method in which restitution is to be paid; and
24 (v) the specific changes requested on the form of judgment by each side.
